

DQ MACHINERY

QDS-250 DRILL STAND

The QDS-250 brings a unique dual purpose model to the Diaquip range of Drill Stands. It offers a 'Dovetail' quick release drill motor mount but also has the option of adding a quick release 60mm collar to the dovetail for securing handheld drill motors. With a drilling capacity of 250mm and a compactly designed 1 metre high mast, the 250 boasts versatility with a range of motors and in a variety of applications.

Available in 1m mast height.
